After receiving many ideas at the first round of public meetings (held in August), alternative future growth scenarios have been developed for Ascension Parish!

- Review four alternative scenarios for future growth
 - Discuss how each alternative impacts roads, water/sewer, schools, land values, economy, environment, etc.
- Discuss what kind of development, and where, best supports our community values and goals

**Please join us
October 20 & 21, 2009**

**Help shape the blueprint
for our future!**
